## Dr. Ahmed Shawky

# Retreatments:

## Reshaping Root Canals with Confidence

In-Booth round table Hands-On:

Date	Time	Title	Subject
7/2/2023	13:30 - 14:00	<b>Workshop 1:</b> Mastering root canal shaping in primary treatments	-Advanced kinematics using ZR Rap motors -Gold and Blue nickel titanium for safe and predictable shaping
8/2/2023	15:00 - 15:30 <u>After AEEDC</u> <u>Speciality Course</u>	<b>Workshop 2:</b> RETREATMENTS: Are there any special files for the job?	-Disassembly of GP using mechanical files -Reshaping of root canals
9/2/2023	14:00 - 14:30	<b>Workshop 3:</b> Mastering root canal shaping in primary treatments	-Advanced kinematics using ZR Rap motors -Gold and Blue nickel titanium for safe and predictable shaping
9/2/2023	15:30 - 16:00	<b>Workshop 4:</b> The TRINITY of predictable shaping: Kinematics, Alloys and Designs	-Integration of motions, improved alloys and designs features for safe and predictable results
